Brighter Than The Sun

(Colbie Caillat)

Stop me on the corner. I swear you hit me like a vision.
I, I, I wasn't expecting. But who am I to tell fate where it's supposed to go
with it. Don't you blink, you might miss it.
See we got a right to just love it or leave it, You find it and keep it.
'Cause it ain't every day you get the chance to say,

Chorus Oh, this is how it starts, lightning strikes the heart.
It goes off like a gun, brighter than the sun.
Oh, we could beat the stars falling from the sky.
Shining how we want, brighter than the sun.

I never seen it, I found this love, I'm gonna feed it.
You better believe I'm gonna treat it Better than any-thing I've ever had
'Cause you're so darn beautiful.
Read it, it's signed and delivered, let's seal it.
Boy, we go together like peanuts and Paydays, Marley and reggae
And everybody needs to get a chance to say. *Chorus*

F#m **D**
Bridge Everything is like a white out. Cause we shook-a-shook-a shine down.
A **E**
 Even when the, when the light's out but I can see you blow.
F#m **D** **Bm**
 Got my head up in the rafters, got me happy ever after.
 /
 Never felt this way before, ain't felt this way before.
D **A**
 I swear you hit me like a vision. I, I, I wasn't expecting.
E
 But who am I to tell fate Where it's supposed to go.
